The organisation requires people to provide a minimum of two referees, at least one of which must cover the last two years without gaps. Employment - If you have been in employment during the last two years one of these references must be from your current or most recent employer. If you have been in more than one position of employment during the past two years we would require additional employer references to cover this period. Other circumstances - If you have not been in any of the above circumstances, for example have been carrying out a caring role, have been unemployed, volunteering or not working etc we will discuss with you at interview what references you are able to provide that meet the organisations requirements. If your first reference meets the above and covers the last two years then a more personal referee for your second reference is acceptable. Age UK Blackburn with Darwen reserves the right to seek any further references deemed appropriate. If you want to discuss your referees please contact us to discuss. Please give the name, address and occupation of two referees following the above guidance.
