A word from Lesley

Our Ageing Well services, clubs, activities and social events are a huge part of what we do here at Age UK Bolton. I hope this booklet proves to be a useful guide to what we have in your area, as well as around the Bolton borough.

Whether it's services like befriending, creative classes, or simply social interaction and a bit of fun, we hope you can find something to tickle your fancy within these pages. For more information or to book onto any of our classes, please don't hesitate to get in touch.

What is Ageing Well?

Ageing well is something that we feel everybody deserves the opportunity to do.

So, we have put together a collection of services, classes and events to help enrich the lives of over 50s in Bolton.

Many of our activities are based at the Ageing Well Centre on Cross Street in Farnworth, but we also have classes based across Bolton.

Our Ageing Well activities are a great way to meet new people, learn new skills, or build on passions you already have.

We also run a befriending service, both in-person and over the telephone, to provide anyone who feels isolated with some much-needed company.
