Your local independent charity supporting older people in Camden since 1965

Guide to using FaceTime

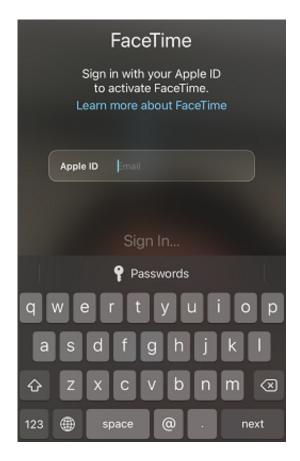

FaceTime is an app available on an Apple iPhone and iPad that allows users to video call one another. It will allow you to video call family and friends to stay connected.

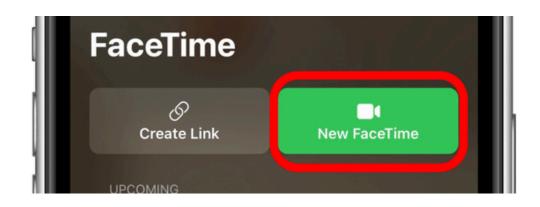

🗅 🎐 💿 🛟 in

 Firstly, tap on the FaceTime app. If you can't find it on your screen, search for the app using the search bar.

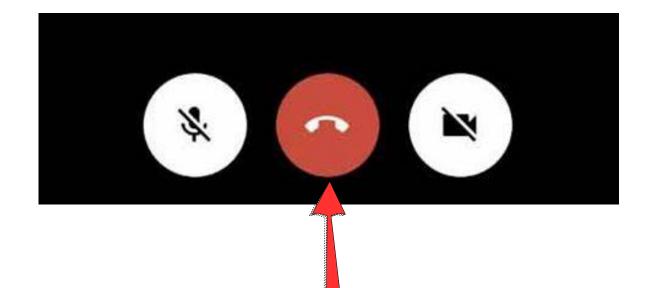

2. Sign in with your Apple ID. This will be the email and password you use for your Apple account

3. To FaceTime someone, tap 'New FaceTime'. Type in the email address or phone number of the person you wish to video call

4. Then press the FaceTime icon next to the name, email address, or phone number of the person you wish to video call

5. You are now video calling this person! If you wish to stop the call, simply press the same red icon you use to hang up on voice call
