

Digital Inclusion: Our Provision

More than 1 in 3 over 65's (4.7 million people) lack the basic skills to use the internet successfully. Therefore, Age UK Coventry and Warwickshire host classes at the Gilbert Richards Centre for those wanting to better their IT skills.

- Regular **Computer Clubs** for those looking to develop their skills and enjoy projects – Tuesday (1-3), Thursday and Friday (10-12).
- **IT- iPads, Tablets and Mobiles** for those looking to use their devices better- This is aimed at developing essential phone skills that can help with things such as accessing banking apps and using the internet safely. This is an 8-Week course every Wednesday (1-3) for an upfront cost of £56.

If you are interested in either of these classes, please feel free to contact us before visiting, we'll be more than happy to discuss this with you.
