Who we are – Age Cymru Dyfed.

Age Cymru Ceredigion and Age Cymru Sir Gâr merged to form Age Cymru Dyfed in April 2020, supporting older residents across Pembrokeshire, Carmarthenshire and Ceredigion, the Dyfed region. The organisation is dedicated to helping individuals aged 50+ maintain independence for as long as possible and make the most of later life through a range of support and services.

The Dyfed region is popular with tourists and boasts beautiful coastlines and scenery, with almost 50% of its residents aged 50+. The rural nature of the region can make it difficult for older people to access services and stay connected to communities. Age Cymru Dyfed is aiming to achieve four operational and two organisational strategic objectives over the next three years:

Age Cymru Dyfed are proud to have achieved many accreditations that recognise the quality and standard of the work we deliver. ACD are committed to providing the highest quality support and services to individuals aged 50+, their family and carers.
