

# Annual Impact Highlights

## 95% of our clients

feel much more confident about remaining independent at home following the support of our Out of Hospital Team who connect people with community-based support and build confidence.

## 99% of our clients

are happy with the quick and efficient advice from our Help Team, helping them navigate later life

### £400,000+

accessed in Attendance Allowance benefits by older people with the support of our Help Team!

*"My grateful thanks for steering me through the hurdles to enable me to have a blue badge"*

## 36,000 older people

are connected through our magazines which provide advice and support, while challenge the narrative around ageing

*"I so look forward to the Grapevine landing on my door-step. I love the recipes, and the word search keeps me busy!"*

## 25,000 users

access our information online

## 1,200+ supporters

are inspired by our newsletters to get involved

## 90%

of people feel more connected with others through our Age Friendly Social Groups

*"Thank you for creating this group. It has become so popular, and it is clearly what we needed in Tewkesbury. We have made friends with people who turned out to be our neighbours. Today we are staying for lunch together after the group."*

## Our volunteers

support older people to over-come loneliness, build social connections, connect digitally, access benefits, challenge the narrative around ageing and govern our charity!

# Get Involved
