

Patch-based Volunteers in Gloucestershire

Volunteer role – reasonable expenses paid

Expected hours – 1-2 days, 3 times a year

Location – Gloucestershire

Travel - required as part of role

At Age UK Gloucestershire we are committed to our vision of making Gloucestershire the best county in which to grow older. This is a big aim, but we are ready for the challenge with the help of our amazing colleagues and volunteers.

To help reach the older people in Gloucestershire, we distribute 3 publications a year packed full of information, advice and guidance to help prepare for later life.

We're seeking patch-based volunteers to help deliver our publications throughout the county to help spread the word about the incredible support we can offer older people throughout the county.

Do you have...

- Good knowledge of your local community within Gloucestershire
- Your own transport and full driving licence?

If so, join our volunteer team and help make Gloucestershire the best place in which to grow older!

Role Overview

- Collect publications from our Barnwood office in Gloucester, 3 times a year (March, July & December)
- Deliver the publications across your local area to doctors surgeries, community hubs, libraries, community shops, Age UK shops, community hospitals, local council buildings, churches, village halls other relevant organisations.
- Deliver to additional contacts, venues or organisations you know of in your patch, to help us continue to grow our reach
- We may also send you posters and flyers to put on your local community notice boards from time to time.
