

## SUMMER NEWSLETTER

### UPDATE FROM OUR CEO, MARK HANNA HERTSWISE - TEL: 0300 123 4044

From 1st October, dementia services in Hertfordshire will change from the current model but will still be delivered by Age UK Hertfordshire, Alzheimer's Society and Carers in Herts. This means that the Hertswise partnership will end, and the groups will be managed by Alzheimer's Society. Age UK Hertfordshire will be responsible for Information and Advice and Dementia Friendly Communities, and Carers in Hertfordshire will provide dementia awareness training. The service change should not impact people using the services and the way to refer in will stay the same until further notice.

We are working closely with Alzheimer's Society and Carers in Hertfordshire to make the changes over the next few months.

Brainwaves Services within Dacorum are not affected by this change and remain the same. TEL: 01442 259049

### THANK YOU

Thank you to all the  
volunteers who attended  
our Cream Tea events. It  
was lovely to meet you  
all.

We will be holding  
Christmas events so watch  
this space for further  
details.
