## **Old Friends and New Ones October's Chatty Brew Hosted at The Old Smithy, Godshill**

It's hard to believe that nearly a month has passed since our last Chatty Brew at The Old Smithy! Time has flown by since we moved offices, but as we settle back into our routine, we're still buzzing from yet another successful Chatty Brew.

The charming Old Smithy provided the perfect place for our gathering, and it was a pleasure to see so many familiar faces, along with some new ones joining our group. The atmosphere was filled with laughter and conversation, making it another enjoyable experience for everyone involved. And let's not forget the star of the show—the cream cakes! They were simply incredible.

One of the most memorable aspects of the event was witnessing connections being rekindled. It was lovely to see old friends who were able to reconnect because of this event.

We would like to extend our apologies to those who were affected by the bus rerouting that made Godshill temporarily inaccessible. Unfortunately, this was beyond our control, and we appreciate your understanding.

See page 3 for more photos of the event.
