A Historic Afternoon at The Isle of Wight Bus and Coach Museum

We had our busiest Chatty Brew event yet, with around forty-five attendees joining us for an afternoon filled with historic vehicles and Island history at The Isle of Wight Bus and Coach Museum. It was wonderful to see so many new faces among our regulars.

Brian and the volunteers at the museum ensured our visit was enjoyable. Brian gave an engaging talk about the museum's history, filling the room with laughter. Guided tours were available to those who wanted to partake, as well as our raffle and refreshments on offer.

We are also pleased to share that the event

raised £71, which will help support the Good Neighbour Scheme and help us continue organising future Chatty Brew events. Thank you to everyone who joined us – we look forward to seeing you at our next gathering.

A NEW HOME FOR AGE UK ISLE OF WIGHT

We are thrilled to announce that Age UK Isle of Wight has officially relocated. Our new address is: Age UK Isle of Wight, 17 St Thomas' Square, Newport, Isle of Wight, PO30 1SL. We are now occupying both the ground and top floors of a shared business building.

September was a whirlwind month filled with packing and preparation for our move. Lee Atkins Removals, had their first van loaded on September 20th, and the entire move was completed by the week of September 23rd. We are proud to say that our incredible team handled the transition with remarkable adaptability, ensuring that our services remained uninterrupted throughout the process.

While we still have a few items left to finalise, we are almost completely unpacked. Once settled, we will proudly display our new

signage, making us a vibrant addition to St Thomas' Square.

In just a short time since our move, we've already begun to feel the buzz and energy of being in the heart of Newport. We look forward to continuing our mission to support and empower older adults on the Isle of Wight from our new home. Thank you for your continued support as we embark on this exciting new chapter.
