little hats

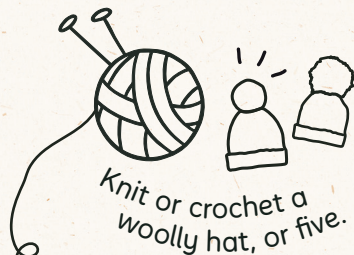

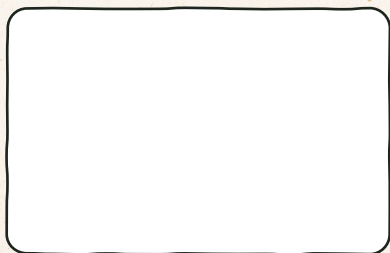

big difference

We've been putting little hats on our bottles in support of Age UK since 2003. And it's all thanks to heroic knitters creating thousands of bobble dazzlers year after year.

Every hat is important – you'll be making a big difference whether you knit loads or just one.

We've included some patterns to get you started, but feel free to try out different colours or come up with designs of your own. We love seeing your creations.

When you've run out of woolpower (or space) send your hats to:

Knit or crochet a woolly hat, or five.

Send your hats to us, and we'll pop them on our smoothies.

For every behatted drink sold, we'll give 30p to Age UK.

The money we raise helps Age UK be there for older people.
