PayPoint - CashOut Voucher Retailer Instructions

Please follow the simple steps below and PayPoint will credit the value of the voucher within THREE WORKING DAYS.

You will also receive commission for every CashOut payment.

1. Before scanning the barcode, check that you have CASH to pay out.
2. Scan the barcode above using the PayPoint scanner.
3. When the screen displays CONFIRM TRANSACTION check the amount on the screen matches the amount printed, then select CONFIRM.
4. Put the e-coupon redemption receipt that your PayPoint terminal prints into your till.
5. Hand the customer the cash from your till.
6. The voucher amount will be credited to your bank account within THREE WORKING DAYS.

If the barcode will not scan:

Select the EMONEY & DIGITAL CASHOUT button on the PayPoint terminal followed by CASHOUT and then I-MOVO PAYOUT on the touch screen and enter the barcode number. Continue the transaction instructions from point No.3 above.
