

Your Gift to Age UK Richmond

A donation to Age UK Richmond can be a lifeline, ensuring local older people always have someone to turn to.

Age UK Richmond is a local independent charity. Although we work in partnership with national charity Age UK, we are completely separate - this means we are solely responsible for raising our own money to deliver our tailored provision in the borough each year.

This also means, a donation made using our partner's name (Age UK) and not ours - Age UK Richmond - will have a massive impact to us as your gift won't reach us.

Reducing loneliness and isolation, and improving health and wellbeing, are Age UK Richmond's guiding principles for all older people. We offer a range of preventative services to ensure that later years are fulfilling and enjoyable, and that older people can maintain connections within their communities.

Our work is only possible because of the kind support from people like you. Every single gift is important to us and goes a long way to help someone who needs us.

As our population gets older, we will have to work harder and harder to meet the increasing demand for our services. Your compassionate gift could allow us to do that - and to give older people the comfort, respect and support they deserve. It really is a wonderful legacy to leave.

I hope this guide will help you know more about making a special gift to Age UK Richmond and gives you all the details you need. If you need any more information, please don't hesitate to get in touch on 020 8878 3625 or email info@ageukrichmond.org.uk and we'll be happy to help in any way we can.

Thank you for remembering Age UK Richmond and supporting local older people.

Age UK Richmond Chief Executive

You will be making life better for older people in the borough of Richmond upon Thames by supporting us with a gift in your Will.

When you come to write or amend your Will, we recommend using a solicitor who can help make sure that your wishes will be followed.

Amending an existing Will to include a gift to Age UK Richmond is relatively straightforward. Your solicitor can draft an amendment (called a codicil) for a minimal cost.

There are three types of gift you can leave in your Will:

- A residuary gift is a percentage of your estate once any specified gifts have been made to friends and family. Many of our supporters choose to leave this type of gift because it does not lose value over time and they can ensure that their loved ones are well-looked after first and foremost.
- A pecuniary gift is a specific amount of money. It's worth bearing in mind that the effects of inflation mean that this type of gift is likely to lose value over time and may end up being less than you initially intend.
- A specific gift is a gift of a specified item – such as a personal possession, land, buildings or stocks and shares.
