

We hope you can join us for Age UK Somerset's

CHRISTMAS CAROL SERVICE

on **Wednesday 11th December 2024, 11am**

In the magnificent **Wells Cathedral**

A joyful celebration of Christmas and community!

With traditional Readings, popular Christmas Carols and the powerful, moving and uplifting voices of the incredible TAUNTON DEANE MALE VOICE CHOIR, we guarantee you'll leave with a warm festive glow!

EVERYONE IS WELCOME. No booking necessary.

Free entry for all, with donations greatly appreciated.

Due to drastic cuts to our funding Age UK Somerset urgently needs your help to ensure we can continue providing vital services to support older people in Somerset and North Somerset. Please tap into your Christmas spirit this season of goodwill and donate now using the QR Code or bring cash for the collection during the Carol Service. Whatever you can afford to give will be gratefully received and used where the need is greatest to support older people in our community. Thank you.
