Could you be a Home Help?

AUKWSBH require Home Help staff for cleaning, household tasks and shopping.

The service focusses on assisting older people to allow them to remain independent in their own homes. Work hours are flexible and according to your availability.

Hourly rates are £13.50 to £16.50 (dependent on area) on a self-employed basis. All applicants will be DBS checked through AUKWSBH. Training and ongoing support will be provided.

We welcome experience of working with older people and knowledge of the issues that they may experience. We don't mind whether it comes from your personal life or previous jobs – both can be equally valid.

Our Home Help Marilyn says:

"For me, it's not 'whistle while you work', it's talk and listen while you work. I love hearing my customers' stories and getting to know them. Of course I feel like I'm really making a difference in all their lives! It's lovely to be appreciated as well. I like the fact that we are encouraged to keep an eye out for our customers and go that extra mile."
