Celebrating the International Day of Older People

We had a wonderful time celebrating the International Day of Older People with a sponsored walk along the scenic canal route from the Post Code Coffee House in Wigan to The Hide Coffee House in Leigh.

Thanks to the incredible support from our community, we raised over £300 to benefit individuals aged 50 and over across the borough. A heartfelt thank you to everyone who sponsored our walking group and made this event a success!

Tea with your MP

We were pleased to invite Josh Simons MP, the Labour MP for Makerfield, to join us for a conversation with our customers and volunteers about enhancing the lives of those aged 50 and above, all while enjoying a lovely cup of tea!

We conducted a survey with over a hundred of our customers and identified several pressing issues, including digital exclusion, travel difficulties, and financial worries, including the Winter Fuel Payment.

To find out more about our discussion, please visit our website:

Christmas Celebrations

We embraced the festive spirit with a Christmas Jumper Day and enjoyed a delightful Jacobs Join.

We are incredibly grateful to The Shoebox Fairies for their generous donation of shoebox gifts. These thoughtful presents were distributed to members of our community who may be feeling isolated, ensuring they receive a special gift this year.

One of our clients who received a gift shared their heartfelt thanks: "Special thanks to the lovely lady who delivered my shoebox hamper and to Kiel (Handyperson) for nominating me. I was overwhelmed by the kindness. Thank you so very much for making my Christmas special. I don't feel so alone now."

Training

Our management team participated in valuable training sessions on equality, diversity, and inclusion, led by Farai from Everything Human Rights. We covered essential topics such as legal definitions, responsibilities, and perspectives specific to Wigan. The training focused on practical steps for implementation, including addressing bullying, harassment and inappropriate banter, understanding unconscious bias, and fostering alliances.

Earlier on in the year, we also received training from the George House Trust on HIV awareness and understanding. We learned about HIV transmission routes, attitudes towards HIV, improving our services for people living with HIV and the latest developments in HIV.

Community Engagement Highlights

We have truly enjoyed engaging with our community, promoting our services, and sharing how we can support those aged 50 and over. It has been a pleasure attending the Extra Time Hubs, visiting local shopping centres like Spinning Gate, and participating in community events such as the Wigan Health Events.

Steps to Success

Our free and new Steps to Success programme engages individuals aged 50 and over in local activities and hobbies, providing opportunities to forge new friendships and strengthen community ties. Our team works closely with individuals helping them over a six-week journey to help them feel more positive, confident and more active as well as reducing social isolation and loneliness.

Mel's Story

When we first met Mel, she recently moved into sheltered accommodation in a new area and was not going out much. She joined the Steps to Success programme to help get her out and about and become more sociable.

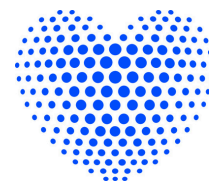

Mel met with Nicolle, Steps to Success Support Worker, to discuss what activities she would like to try. Nicolle supported Mel by attending a social group together.

Mel said "it really helps with confidence and meeting people".

Since completing the programme, Mel has taken the initiative to explore new groups on her own and has become more engaged in various activities.

If you know someone who may benefit from our Steps to Success Programme like Mel did then please get in touch –
