

Wirralside Walkers

Little Neston

Monday 13th January 2025

From Neston, we make our way to the streets of Little Neston and head down to look out over the Dee Estuary. We will refer to an established information trail, on the history of three collieries that operated between 1759 and 1927.

Some surfaces are uneven and some paths become narrow in places. Depending on conditions we may use part of the Wirral Way. There are some potentially muddy grass areas, inclines and steps so please have suitable footwear

Please bring some refreshments to have along the way
