Draw a name, cross your fingers and help support Age UK Wyvern

Everyone loves a sweepstake, especially around a sporting event.

For just £3 an entry, why not get involved and raise money for a good cause?

Here is how it works:

1. Start off by printing out this sweepstake pack and host your sweepstake in person.
2. Cut out the names, fold them up, and put them in an envelope.
3. Ask each participant to draw a name at random, for a suggested price of £3 per name, to create a prize fund.
4. Write down who has picked which name on the page provided.
5. When the sporting event is over, present half of the total prize money to the person who picked the winning name.
6. Please donate the other half to us.

Sweepstake

Draw a name, cross your fingers and help support Age UK Wyvern.
