### **Tasks include, but not limited to:**

- Provide 1-1, bespoke computer tutoring for as little as a couple of hours per week
- Create a warm and friendly environment at our classes
- Liaise with our Digital Inclusion coordinator

### **Experience**

You do not need to have any prior experience or be a technology whizz.

### **As a Computer Tutor / Digital Champion you should have:**

- A love for meeting new people and willingness to help others
- Enjoying being online
- Be confident with basic technology use, for example tablets and smartphones
- The ability to work as an individual as part of a wider team

### **Benefits of volunteering with us**

- Learn new skills and develop existing ones
- Develop your confidence and gain experience of the workplace
- Reimbursement of reasonable travel costs incurred
- Ongoing support and training where relevant
